**Re: In the Matter of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I was a long time Comcast customer in San Francisco and switched to Sonic because of the lower rates and better service. I've been with Sonic for almost a year and their service is faster and reliable.

We rely on Sonic's broadband service for all our communication needs, from telephony, to internet to security. Our internet phone runs via Sonic's fiber. So does our home security system.

Our current internet access is critical to the functioning of our household, my work, and my kids' education.

Thank you.
